ABOUT US

Mose Art Studios is a multi-disciplinary graphic design and visual arts company based in Polokwane, Limpopo, South Africa. Founded in 2013, the studio specializes in brand identity design, multimedia design, visual art, and publication design. With over a decade of industry experience, Mose Art Studios has developed a client-centered approach rooted in strategic listening, clarity, and execution excellence. We work closely with our clients to understand their objectives and deliver creative solutions that not only meet brief requirements but consistently exceed expectations. Our work is informed by both artistic integrity and commercial insight, ensuring relevance, impact, and long-term value.

MISSION & VISION

Vision

To grow into a multifaceted creative institution offering comprehensive graphic design services, curated art gallery spaces, fully equipped art studios, and an application development hub that supports innovation and creative enterprise.

Mission

To create a collaborative ecosystem where creatives can connect, exchange ideas, and co-create impactful solutions. Through continuous learning, engagement, and collaboration, we aim to empower creative professionals and contribute meaningfully to the future of the creative industry.

CORE VALUES

Our operations and relationships are guided by the following core values:

Transparency: We prioritize openness and clarity throughout every project, ensuring clear communication, aligned expectations, and the elimination of misunderstandings or irregularities.

Trust: Trust is foundational to our success. We honour our commitments, maintain professional integrity, and ensure our clients fully understand project requirements before engagement. Our credibility is built on consistency and accountability.

Reliability: We are dependable partners to clients of all sizes. Our commitment extends beyond service delivery—we actively problem-solve, provide strategic guidance, and support our clients throughout their creative journeys. We position ourselves not merely as service providers, but as invested collaborators in our clients' growth and success.

EXPERIENCE(S)

In our endeavor to becoming a force to be reckoned with, we have managed to work with some big clients that were satisfied with our work amongst many:

• MEGAARTISTS MEDIA (MAM)

An NGO that focuses on art and media workshops and events, across the province. They have an online magazine & a podcast. We have been working with the organization since 2014 on a contractual agreement. We are responsible for their Online publication, marketing and branding collateral.

• SLAM EMPORIUM PLK

An NPC that focuses on literature & performance workshops around the province. We have been working with the organization since 2015 on a contractual agreement. We are responsible for their marketing and branding collateral.

• BLACK LABONE

An organization and art movement in Pretoria, hosting weekly music events for prominent artists at the state theater. We have been working with the organization since 2022 on a contractual agreement. We are responsible for their marketing and branding collateral.

• UNIVERSITY OF KWA-ZULU NATAL (CENTRE FOR CREATIVE ARTS)

University institution that hosts annual poetry, literature and performances events. We branded their 2023 annual event Time of the writer.

• INTERNATIONAL ASSEMBLIES OF GOD POLOKWANE (IAG)

Church organization of Christian faith that host annual youth and general church events. We are creating their annual event posters.
